

I tell you again "the shame train is coming for you".  
Get onboard and be forgiven for bullshit you believed against GOD and your fellow humans. Know matter how big the LIE is

or how tiny the lie is. It is the worst thing against The TRUTH-IN-ALL-THINGS.

I say again "It is a LIE against the TRUTH", and you know the answer, but will believe man over GOD and your senses for your wants and needs.

Many have believed a lie  
and went to war and killed  
for their wants and needs  
believing man when GOD  
said "do not KILL". The  
train will be pulling in  
shortly; we still have some  
cleanup to do before  
departing.

#prepare-for-water

Then the gnashing of teeth  
shame, before the ashes

blame, forever in HIS  
flame. The moon will shame  
them, and the sun will  
blame them.

#always prepare for water.  
The DOCTRINE-KILLER is  
not nice to bullshit  
entertainers and believers.
